HOME TEAM---The second team listed for every game is the designated 'home' team. This team will have the option at the beginning of every game to either bat first or take the field first. On tournament days, the home team will be determined by highest seed (highest being #1).

\*\*\*---If your team is asterisked\*\*\*, it means your team is responsible for taking with you all the bases, cones, home plate mats and any other items that may have been left (forgotten gloves, etc.) at the end of the 5:45 game. The following week you will be responsible for setting up the field and having it ready for the 1:15 game. **Thanks!**
